We teach girls to ~~shrink~~ themselves  
 To make themselves smaller

We say to girls  
 "You can have **AMBITION**  
 But not too much  
 You should aim to be successful  
 But not too successful

Otherwise you will **threaten** the man"

Because I am ~~female~~  
 I am expected to aspire to ~~marriage~~  
 I am expected to make my life choices  
 Always keeping in mind that  
 Marriage is the most important  
 Now marriage can be a source of  
**joy** and *love* and mutual support

But why do we teach girls to aspire to marriage  
 And we don't teach BOYS the same?

We raise girls to each other as competitors  
 Not for jobs or for accomplishments  
 Which I think can be a good thing  
 But for the attention of **MEN**

We teach girls that they cannot be **QUEEN** beings  
 In the way that boys are

**Feminist:** the person who believes in the social  
 Political, and economic **equality** of the sexes

- Beyoncé

Full of compassionate orientation and advice, she puts himself in the heart of sexual policy in the 21st century, and a new and urgent conversation begins about what he really means to be a woman today. His understanding of feminism is intertwined with his understanding that we all want to be more of one thing. " -The Guardian on the author Chimamanda Ngozi Adichie grew in Nigeria.
